**REQUEST FOR CORRECTION OF FILING RECEIPT AND NOTIFICATION OF
ACCEPTANCE OF APPLICATION UNDER 35 USC 371**

Dear Sir:

On 13 September 2005, Robert W. J. Usher (former counsel representing the applicant) faxed to your offices a "Request for Correction of Filing Receipt and Notification of Acceptance of Application Under 35 USC 371". Subsequently, the application was transferred from Mr. Usher to our firm.

It appears that Mr. Usher's request was misplaced at the patent office since PAIR does not show receipt of the request.

A copy of that original request is attached and the undersigned requests that the original request be reviewed and granted. As the undersigned does not have first hand knowledge of the filing, reliance is made on Mr. Usher's assertions in the 13 September 2005 request. Copies of the other paperwork supporting the original request are also attached.

No fees are believed to be due at this time. However, if we have miscalculated the Commissioner is authorized to charge our deposit account number 50-1901 for any fees that may

be due. Any inquiry regarding this matter should be directed to Steven Lieske at (612) 607-7508.

Respectfully submitted,

By: Steven Lieske 3/28/2006

Docket 1548

Commissioner for Patents

Office of Initial Patent Examination

FAX 703 305 9822

REQUEST FOR CORRECTION OF FILING RECEIPT AND NOTIFICATION OF
ACCEPTANCE OF APPLICATION UNDER 35 USC 371

Sir,

The undersigned has noticed that both the Filing Receipt and the Notification of Acceptance of Application under 35 USC 371 indicate 'Filing or 371' dates of June 15, 2004 whereas the correct date is June 14, 2004.

The undersigned sent all application papers to the Patent Office as USPS Express Mail with the complete Express Mailing Label (ER 946868273US) attached to the envelope, by deposit in an USPS Express Mail drop box located on Broadway at the intersection of 25th Street (NYC, NY 10010) on the afternoon of Friday June 11, 2004. As Friday June 11, 2004 was a Federal holiday, all papers (including the Inventor declaration) should have been accorded the date of Monday June 14, 2004.

The returned postcard (copy attached) has been stamped by DTO2 PCT/PTO to acknowledge receipt of the entry papers also on June 15, 2004.

A copy of the returned postcard is attached together with the transmittal letter. As can also be seen on 'Public Pair', the above noted Express Mailing label number was duly marked on the transmittal letter.

The undersigned has not received an invoice from the USPS corresponding to the above mailing label. A copy of the Express Mailing Label was not returned by the USPS to the undersigned and no USPS written of text record of the mailing could be found on the USPS computer system, as evidenced by the attached copy of a paper dated 07/08/2004 faxed by the USPS to the undersigned. As marked on the paper by the undersigned on

07/08/2004 a USPS voice message had indicated that delivery of the papers was attempted/the papers arrived on June 15, 2004.

The undersigned attaches a true copy (photocopy) of the relevant page of his Express Mail Deposit Log For PTO, on the left hand side of which the undersigned had adhered the Express Mail number sticker (ER 946868273US) detached by the undersigned from the complete Express Mail Label on June 11, 2004, adjacent and corresponding to which are the deposit date of 6/11/04; time (of deposit) of 2.40; location (of Express Mailing Box) Bdy @ 25th (Broadway @ 25th Street); last collection (on that day) of 5pm ; signature (of the undersigned); and, signature date 6/11/04 and time 5p.

As the papers receipt date of June 15, 2004 is also given on Public Pair, the undersigned believes that in making the record, the Patent Office overlooked the fact that the papers were sent by Express Mail or the date accepted by USPS (date in), which must have been at least one day before delivery on June 15, 2005 and which should have been marked on the Express Label.

Accordingly, correction of the Filing Receipt and Notice of Acceptance is requested.

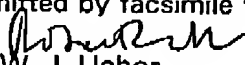

Respectfully,

Robert W. J. Usher
